

Shipping Freight Forwarder

Logistics Made Simple,
Trade Made Stronger.

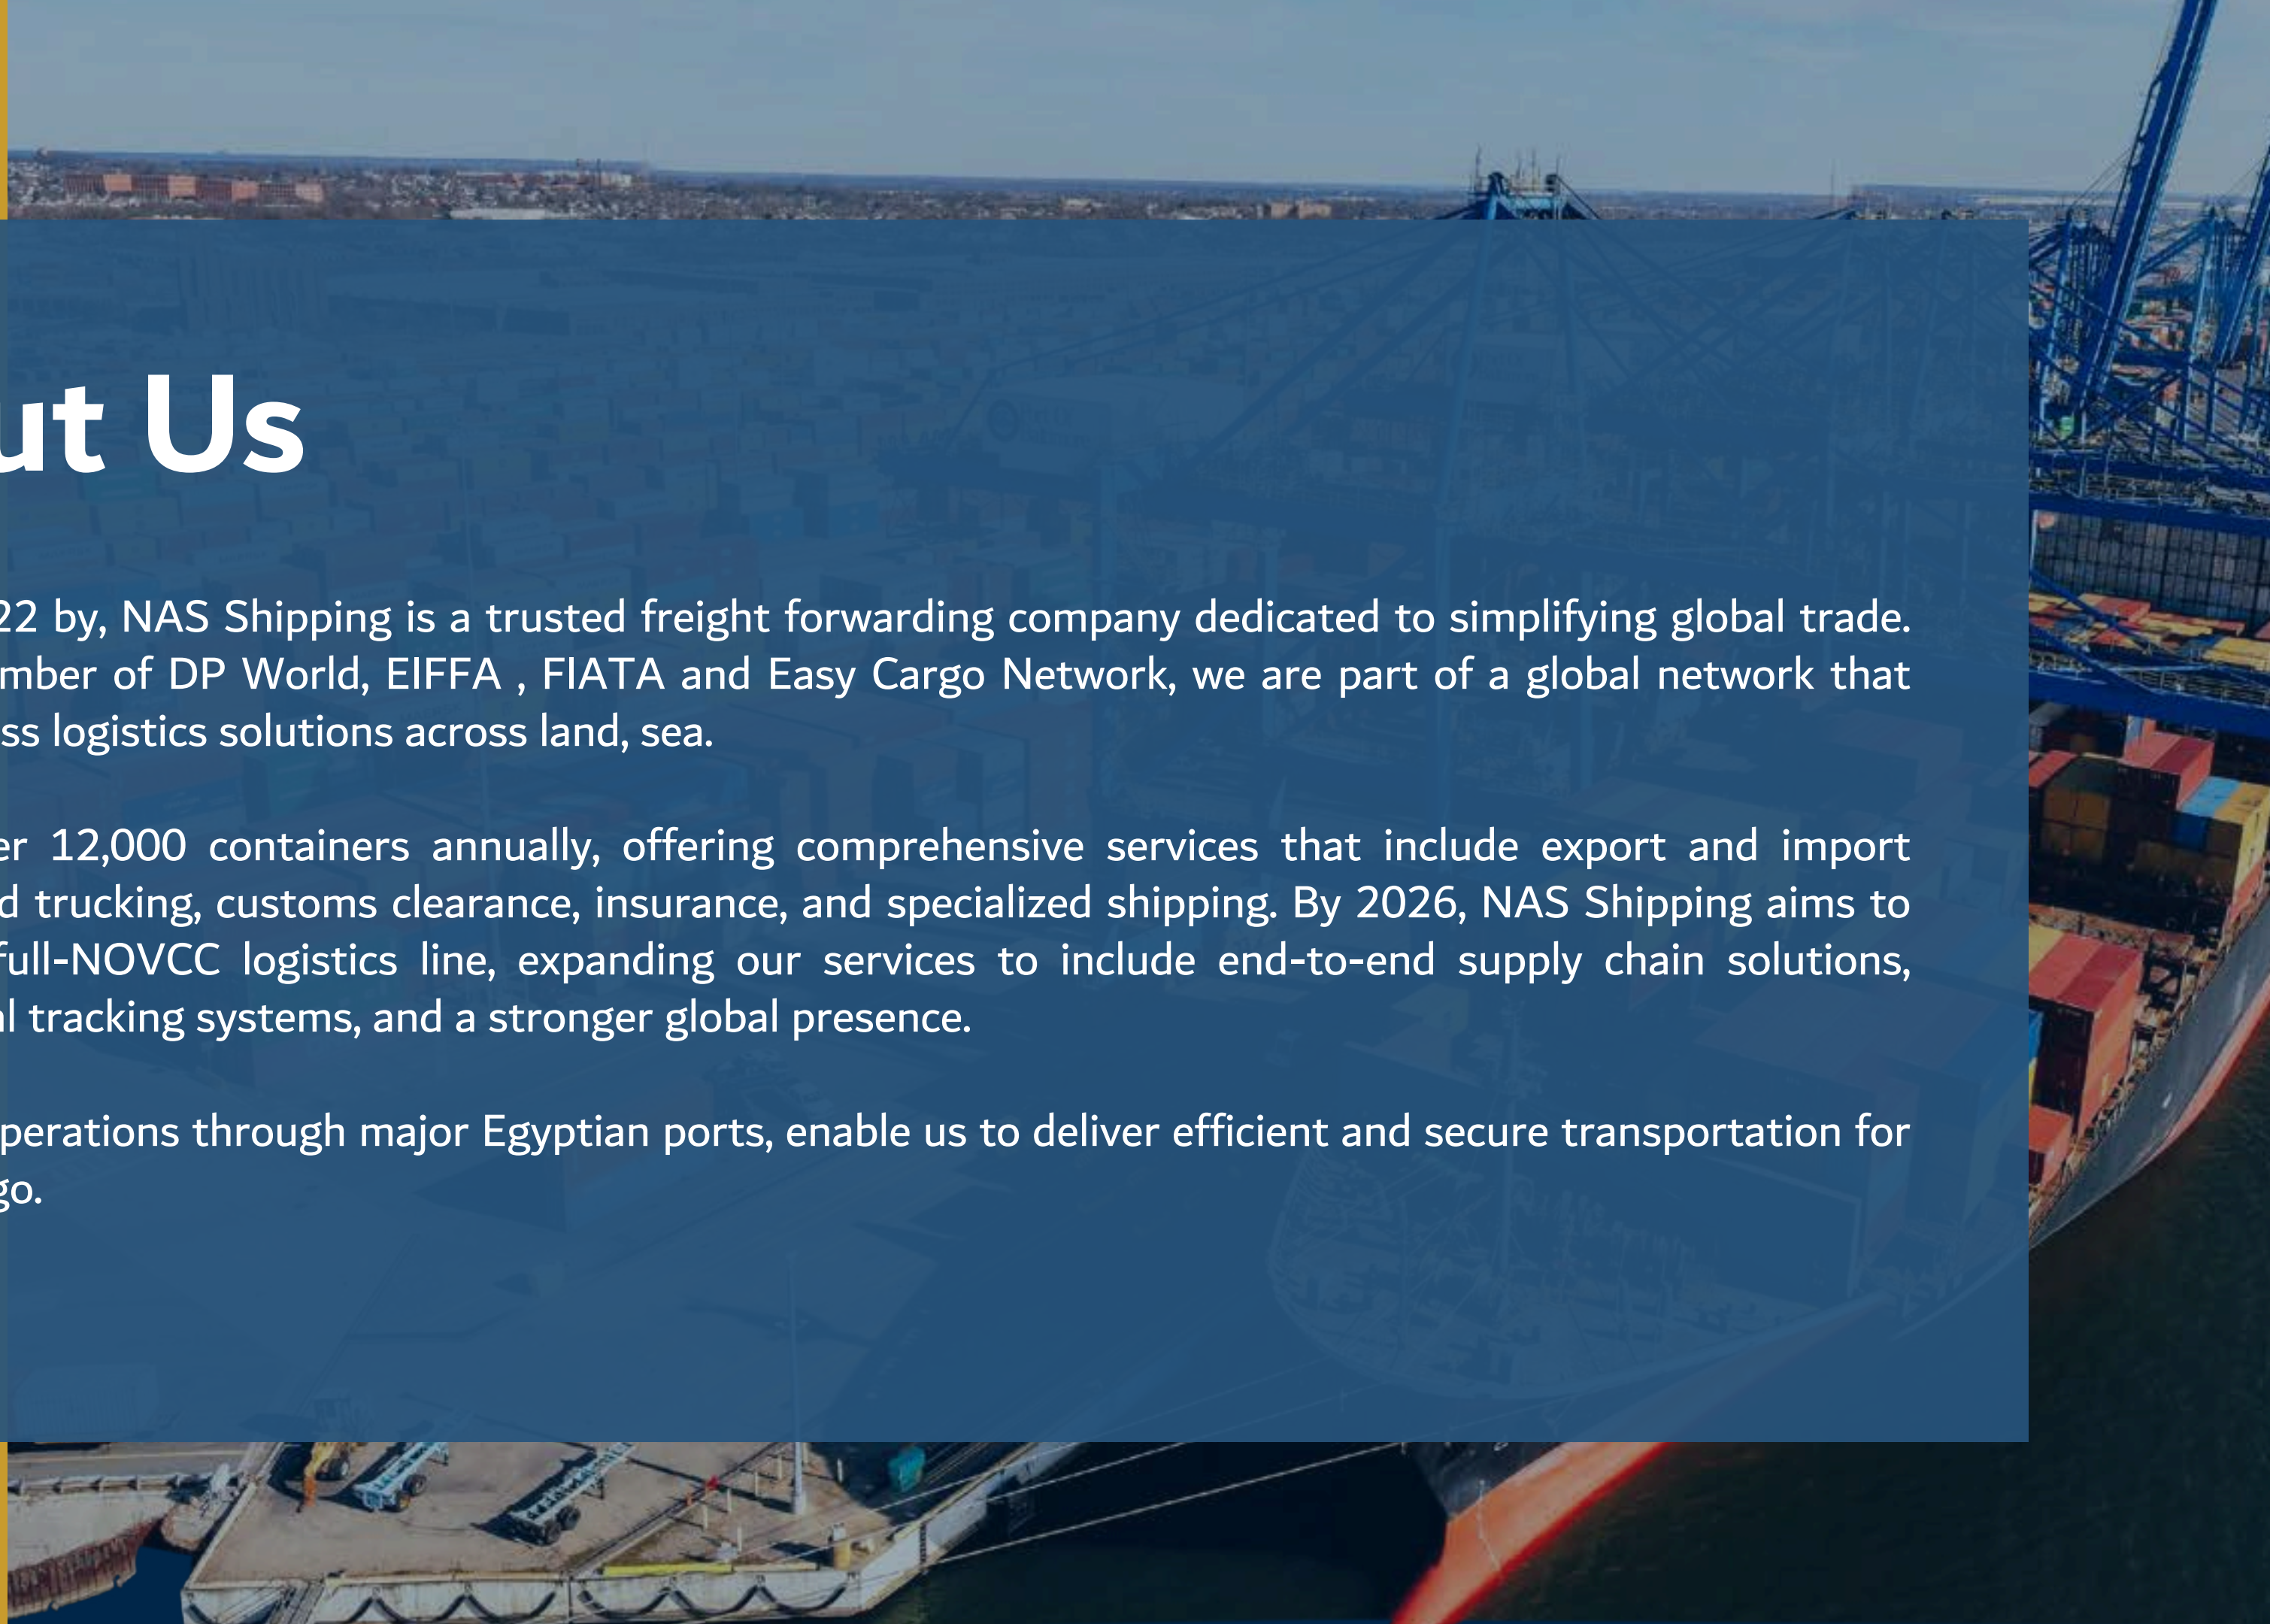

About Us

Founded in 2022 by, NAS Shipping is a trusted freight forwarding company dedicated to simplifying global trade. As a proud member of DP World, EIFFA , FIATA and Easy Cargo Network, we are part of a global network that ensures seamless logistics solutions across land, sea.

We handle over 12,000 containers annually, offering comprehensive services that include export and import solutions, inland trucking, customs clearance, insurance, and specialized shipping. By 2026, NAS Shipping aims to evolve into a full-NOVCC logistics line, expanding our services to include end-to-end supply chain solutions, advanced digital tracking systems, and a stronger global presence.

Our strategic operations through major Egyptian ports, enable us to deliver efficient and secure transportation for all types of cargo.

Our Vision

To become a global leader in logistics by 2026, offering end-to-end supply chain solutions and setting new standards in efficiency, reliability, and customer satisfaction.

Our Mission

To empower businesses with seamless logistics solutions, enabling them to thrive in global trade through innovation, strong partnerships, and unwavering dedication to customer success.
